

Dear travelers, we are looking for a...

3D Generalist Intern (f/m/d)

The Great Wanderer is a creative studio and 3D production house headquartered in Berlin, Germany. Our team of cross-discipline creatives combines a wealth of experience to realize projects with an eye towards the future. With narrative at the heart of our work, we are constantly finding new ways to tell the stories of our clients.

Your Mission:

- You will work closely with the Executive Producer on multiple aspects of 3D art creation for our in-house production
- You will help develop and maintain art and technical pipelines
- You will support our team in planning and developing our global communications on all social media channels

Your Profile:

- You are currently enrolled as a student in a relevant field or have experience in said field
- You are available for a 3-month full-time internship (voluntarily, outside of your studies), or up to 6-month (mandatory, as required by your studies)
- You have experience across multiple CG disciplines including modeling, texturing, lighting, shading, or compositing
- You have experience in Cinema 4D or any other 3D program and are willing to learn more
- You are eager to learn more about managing social media channels
- You are a creative and self-organized learner with an eye for detail
- You are fully proficient in English; German is a plus

Your Benefits:

- A high degree of responsibility, independence, and creative leeway
- An inspiring work environment that values your individualistic thinking and creative input
- The opportunity to be part of a small, creative and international team with a common goal in mind
- The possibility to learn the whole process of creating a 3D animated show - from development to the finished product and acting as a 3D service provider for clients around the world

This is an interdisciplinary, full-time internship position. Do you want to join our exciting journey? Please send us your CV and motivational letter to: **nana@greatwanderer.studio**
